### Industrial visit to

### INCOIS (Indian National Centre for Ocean Information Service) Hyderabad

60 students of III B.Tech CSE with Two Faculty have visited INCOIS (Indian National Centre for Ocean Information Service) Hyderabad, on 14<sup>th</sup> March 2020, where the students were told about the providing of **the** best possible ocean information and advisory services to Society, Industry, Government Agencies and the Scientific community through sustained ocean observations and constant improvements through systematic and focused research. Also demonstrated about the use of Super computers, Cloud computing, and satellites for accessing, storing and processing the data.
