---

Date 01-08-2019.

## CIRCULAR

This is to inform all the B.Tech I year Civil students that a Diagnostic Test will be conducted on 06-08-2019 at 2.00 PM to know your strengths in Listening, Speaking, Reading, Writing, Grammar and Vocabulary, which will enable us to help you in upgrading your skills in these aspects. Hence, we insist you all on taking the test.

**B.Tech I Year I Semester  
Diagnostic test  
ENGLISH**

A Diagnostic Test was conducted for the B.Tech, Civil, I Year I Sem students on 06.08.2019. This diagnostic test will help us determine the students' knowledge of the basic concepts in English language that will be covered in the academic session, thereby enabling the teachers to tailor their lesson plans, teaching strategies and other classroom techniques around the students' specific strengths and weaknesses. However, the results of the test would not be used for academic assessment purposes.

Subject : English  
Date :06-08-2019  
Start Time : 2.00pm  
End Time : 4.00 pm

Students were categorized into two types based on the results of the test:

1. Slow learners
2. Fast learners

After analyzing the performance of the students in the diagnostic test, the institute offered make-up classes for the students who are found weak in any of these language aspects.

To encourage the fast learners, a few add-on courses are introduced to improve their skill set.

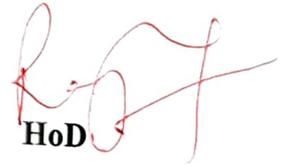

# Vidya Jyothi Institute of Technology

(An Autonomous Institution)

(Accredited by NAAC, Approved by AICTE New Delhi & Permanently Affiliated to JNTUH)  
Aziz Nagar Gate, C.B. Post, Hyderabad-500 075

The following students did not reach the expected score in Diagnostic Test and were counseled to attend make-up classes regularly and asked for an active participation in every session.

Roll Number	Branch	Score
19911A0104	CIVIL	21 / 50
19911A0113	CIVIL	20 / 50
19911A0114	CIVIL	24 / 50

## Make-up Classes

The aim of make-up classes is to concentrate and cater the needs of every student who has fallen behind academically in order to achieve the expected competencies in language skills. Faculty of English department had concentrated on the needs of every child and took classes both online and offline using different teaching methods. Students who couldn't score well were given training in understanding the basics of target language, concentrating on LSRW skills, thus enabling them to converse fluently. The results attached would stand as an example of the efforts put by both students and faculty in the successful completion of make-up classes.

Sl.No	Roll Number	Branch	Score
