Using placards with various quotations on saving environment, no to plastic, planting and protecting trees and the importance of providing basic education to the kids we created awareness. Along with this we did door to door awareness on the need to segregate wet and dry waste. We asked them to use the wet waste for agriculture and the dry waste to put it in a pit and later covering it with soil. So all the volunteers divided the work among themselves took part in the Swachh Bharath. During the cleaning the major waste that we could see was that of plastic and diapers. We segregated the biodegradable and non-biodegradable waste. To dump the waste in a safer manner, the volunteers dug two pits one for the degradable waste and another for plastic and later covered it with sand. We motivated the villagers to do the same thing. We reached the camp site at 2.00 pm had our lunch, took rest for a while. Report on “Anti-Ragging Awareness Program and Haritha-Haaram”

VJIT organized a mindfulness program on ragging in its campus on July 28, 2018. This was directed in association with Samshabad and Moinabad Police. Samshabad zone DCP Ms.Padmaja Reddy, Moinabad CI Mr. Venkateswarlu and SI Mr.Mahendranath were the Guests of the programme. Samshabad Zone DCP Ms.Padmaja Reddy worried on the point that students ought to be far from ragging practices and not endanger their bright future. She affirmed on maintaining a disciplined life. Installation of CC cameras was on top priority to put a tab on the activities of the students in annihilating ragging from the grass root level. Rajendra Nagar ACP, Mr. Ashok Kumar pointed that ragging is an exceptionally horrifying practice that puts the innocent students to physical and mental trauma. He cautioned the students that under IPC section IV, the culprits are punishable. He urged the students to become responsible by adhering to the law as well as by upholding our culture and heritage. Mr. Ashok Kumar also insisted on setting a goal in life and tread in the right direction that leads to success. It is quite notable that the police have congratulated and valued our administration for fostering a healthy and disciplined environment and empowering the students in eradicating ragging. Our Principal, Dr. Padmaja appreciated the Cyberabad Police ‘Jagruiti Kalabrudam’ headed by SI Mr. Rama Rao for playing an overwhelming skit that depicted the aftermath of atrocious habits like narcotics, drink and drive practice and other dreadful habits that shatters many lives. Our Director, Dr. Venugopal Reddy, Principal, Dr. Padmaja, Sr. Administration Officer, Mr. Venkatachalam vouched that the management and the students of VJIT will work hand in hand with the government to weed out the fatal practice of ragging. The programme ended on a positive note with students rendering a reverent salute to the esteemed guests.

Report on “Independence Day Celebration”

72 INDEPENDENCE DAY

August 16, 2018

“YOU MUST BE THE CHANGE YOU WANT TO SEE IN THE WORLD”- quoted the Father of our Nation, Mahatma Gandhi. The customized occasion of 72nd Independence Day was celebrated and cheered by all the VJITans in our campus. The festivity began with our National Flag hoisting by our distinguished Director Dr. Venugopal Reddy and our beloved Principal Dr. Padmaja. Along with the staff and the students were also present our valued HoDs. Addressing the gathering, Dr. Venugopal Reddy paid homage to the struggle of our fighters and martyrs, who endured the atrocities of the British, and how our courageous leaders showed their belligerence to wrest freedom for us. These sacrifices, he said should be respected through constant introspection. This, he says is necessary to check if our goals are reached, the goals being, Eradicate poverty, Eliminate corruption and Extinguish the flames of terrorism from our country. Hence, he professes that it is rather an ‘Introspection Day’. Principal Dr. Padmaja expressed her jubilation that India is emerging as an economic powerhouse with an inflated GDP and has the largest market globally. India also, she says, has sophisticated technology and is taking ahead the legacy of profound scientific research. But she worried on the point that the rural areas are deprived of the benefits of these developments. Hence, she says the onus is on us to work with devotion towards equal distribution of resources among all. Placements Head, Dr. Siddharth Ghosh, Head of Mechanical Dept. Dr. Sriram Reddy and a Senior Professor Mr. VV Satyanarayana pledged to emanate quality education, the inputs being sincerity and dedication, to acknowledge the freedom that we are celebrating today. The programme wound up with an exhilarating dance performance by our students on patriotic tunes that stimulated a spirit of nationalism.
