Dear POOJA

We are pleased to offer you an internship position with PEOPLE ASSETS LEARNING SERVICES (INDIA) PVT LTD – PALS, hereinafter referred to as Company, under the following terms:

Internship Name – Information Technology Intern

Internship Period – 02 January till 31 March 2018 (3 months)

Reporting To – Mr. Amarnath Hari, Program Director - POORNA

Stipend – Rs. 2000 (Rupees Two Thousand) per month (T&C apply)

INTRODUCTION

Company has designed an IT internship program with 3 levels – POORNA, PARIPOORNA and SAMPOORNA. These outcome oriented programs transform novice IT student graduates into consummate professionals ready for the industry. These programs create a very demanding, compound learning and development environment, where Interns develop an attitude to work long, hard hours to build complete business automation solutions even as they hone multiple aspects of their soft skills and becoming increasingly aware of the business world they hope to automate.

PROGRAM EXPECTATIONS

As an intern, you will immerse yourself in the program, completely aligning yourself with the objectives of the program. You will follow software engineering methodologies recommended for Business Analysis, SW Quality Assurance, Database Analysis, UI/UX design, Front and Backend programming as you design commercial applications. You will clearly document each aspect of the application development process as you try and identify your passion for one or more aspects. You will become vocal about your new learning as you coach, present to and influence other Interns.

You shall devote your full attention and effort to the program, and strive to meet and then exceed expectations. You agree not to engage in any other employment, occupation or consulting activity for any direct or indirect remuneration without the prior approval of your supervisor. You will adhere to the company's office timings as advised by your supervisor.

PROGRAM OUTCOME

This is an outcome oriented program and provides exit points at the end of POORNA, PARIPOORNA and SAMPOORNA respectively. Candidates who complete all the 3 programs exit with 1 year of solid experience in real time projects and a 1-year experience certificate.

INTERNSHIP PERIOD

The period of internship can be increased or decreased by agreement between the Program director and Intern. However, the minimum period of internship cannot be less than 28 working days.
