2.0 Course Name & Objective:

VJIT understand the need to bridge the gap between the academics and industry needs. So they are taking various initiatives like arranging various industry specific training through industrial experts within the college campus, setting up "Center of Excellence" for the new emerging technologies etc.

In this regard Lean Techno proposes the need for building the awareness regarding the opportunities available in the manufacturing segment and providing certification courses related to manufacturing at the campus itself. This will help to contribute towards "Make in India" vision of the government over the coming period.

VJIT and Lean Techno decided to collaborate on this mission and propose following course to be kick started.

Name: "Campus to Industry Training Course"- Engineering Graduates

Objective: To create a platform to align Academics with Manufacturing Industry needs through practical & simulation training on Lean manufacturing Methodologies.

Course Duration: 48 Hrs. Training course spread over 2 weeks. (4 hours / Day / Batch).

Who should attend: Final year / Graduated (Unemployed) students of all streams.

Proposed Schedule:

- Dec'2017
- Venue – VIDYA JYOTHI, College Campus.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Salesforce Community Program (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Salesforce Community Program:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: jeff.may@salesforcemvps.com

To advise Salesforce Community Program of your new e-mail address

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at jeff.may@salesforcemvps.com and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

To request paper copies from Salesforce Community Program

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to jeff.may@salesforcemvps.com and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Salesforce Community Program

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to jeff.may@salesforcemvps.com and in the body of such request you must state your e-mail, full name, IS Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

WITH REFERENCE TO THE ABOVE, THE INSTITUTE IS PLEASED TO PLACE THIS MOU CUM WORK ORDER ON ASPIRING MINDS FOR AVAILING THE PROFESSIONAL SERVICES AS DETAILED BELOW WITH FOLLOWING SCOPE OF WORK AND COMMERCIAL TERMS & CONDITIONS:

As proposed, ASPIRINGMINDS will conduct **PRE-EMPLOYMENT SKILLS ASSESSMENT PROGRAM** for all B Tech students for final year in the institute for 2017-2018.

SCOPE OF WORK

The scope of this Work Order is **valid for final year 2017-18 batch B Tech** students in the institute and will cover the following program conducted by ASPIRINGMINDS:

PRE-EMPLOYMENT SKILL ASSESSMENT PROGRAM

1. The objectives of the PRE-EMPLOYMENT SKILL ASSESSMENT PROGRAM will be to:

- Determine Employment Potential of the candidate related to HR & Generic skill area
- Benchmark the candidate in terms of Industry specific recruitment standards
- Provide Psychometric-based behavioral attributes profiling and mapping
- Expose the candidate to a real life complete recruitment process used by companies in terms of fresher or campus recruitment.

2. Analytics:

Students will get:

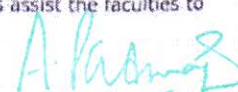

- **Feedback & Diagnostic Report:** - Every assessed student will get a feedback report reflecting his/her performance in AMCAT. The report will highlight their strengths and employability across various sectors.
- **AMPI Report:** - Aspiring Minds Personality Inventory is based on FFM: Five Factor Model. FFM is the widely accepted model for personality assessment.
- **SVAR Report:** - SVAR is a telephone-based test used to assess a candidate's speech. It is completely automated and can currently grade a person's speech on the following traits: Pronunciation, fluency, spoken English understanding, Vocabulary, Grammar and Active listening.

Management will get:

- **Campus Performance Report:** - Aspiring Minds has prepared a unique report for Management that gives an in-depth analysis of the college performance based on the test. The report is highly useful for the management as a tool to further improve the educational system through the results shared in the report.

3. Consultancy:

Assessment experts from Aspiring Minds would visit your campus for giving a detailed feedback session to a collective gathering of your students. The sessions would help the students as well as assist the faculties to interpret the report and align their training programs accordingly.

This Memorandum of Understanding states the terms and conditions under which the timings shall be conducted by CADD Centre through its Franchisee partner at the premises of Vidya Jyothi Institute of Technology and lists herein the respective responsibilities of both parties.

PREAMBLE:

To get a student employable and placed in an organization; over and above the subject knowledge he / she is expected to have the following:

- Strong Fundamental Engineering Knowledge
- Engineering related Multiple Technical Skills
- Communication & other Soft Skills

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of Vidya Jyothi Institute of Technology by facilitating them to acquire the appropriate and relevant skills at the college premises itself through this program.

While Subject Knowledge would be provided by Vidya Jyothi Institute of Technology, CADD Centre will equip the students with required industry specific CAD, CAM, CAE and Project Management skills.

Through this collaboration, CADD Centre through its Business Partner will prepare the students of Vidya Jyothi Institute of Technology to be ready for the industry by the time they enter the final semester and facilitate many of them to secure dream jobs. For this the students have to be nurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skill development cycle in mind, the programs are spread across their semesters.

CADD CENTRE THROUGH ITS FRANCHISEE WILL PROVIDE FOLLOWING:

- Comprehensive CADD Centre reference and work books (wherever applicable) to all students for each course as part of the course.
- Qualified trainers for the course.
- Periodical assessment of the progress of students for their further improvements.
- "Certificate of Completion" to every student who successfully completes the training program every semester which will carry the logo of CADD Centre and Vidya Jyothi Institute of Technology.
- "Certificate of Association" to the college.
- A "link to Vidya Jyothi Institute of Technology website" from CADD Centre website www.caddcentre.com.
- Permit Vidya Jyothi Institute of Technology to use CADD Centre logo as the Skill Development Partner.

VIDYA JYOTHI INSTITUTE OF TECHNOLOGY SHALL PROVIDE:

- The required number of computer systems with the software required for the course in the lab and other required infrastructure for the practice.
- The Class rooms with LCD projector for the theory classes.
- The Schedule with the classes for this training.
- The supports to ensure, all students who have signed up for the class, attend the training programs scheduled for them.
- Disciplinary support for the smooth conduct and timely completion of the entire course.
- Provide all support to CADD Centre to enroll students in the courses offered by CADD Centre at the College premises:

PARTICIPANTS:

The participants would be the Students of Vidya Jyothi Institute of Technology from specified branches mentioned in ANNEXURE 1.

COURSE CONTENTS:

CADD Centre in consultation with Vidya Jyothi Institute of Technology shall finalize the courses and fees for the skills development program. The recommended course details are provided in the ANNEXURE – 1. These will be reviewed prior to every course and suitable changes, if required, will be incorporated. As the requirement of each course is different, courses and fees would be worked out separately for each course.

TIME SCHEDULE

The program(s) will be conducted during the days and timings provided by Vidya Jyothi Institute of Technology. The students will be divided into batches, depending on the total strength. The program(s) will be conducted according to the Time Table drawn up with the mutual consent of CADD Centre and Vidya Jyothi Institute of Technology. Utmost care will be taken to frame the time table in such a way that it does not interfere with college activities enabling the student to complete his training ahead of the final exams. CADD Centre will not conduct any classes during the time of exams. In case of any change in training schedule the same will be intimated to the Program Coordinator of Vidya Jyothi Institute of Technology. Similarly, if Vidya Jyothi Institute of Technology wants a change in training schedule the same may be communicated to the Program Coordinator of CADD Centre. In either of the cases, a revised training schedule has to be made and the Program Coordinators of both CADD Centre & Vidya Jyothi Institute of Technology and the respective students must be informed about the change in training schedule by means of suitable media (emails/posters/circulars/notice board displays).
