Statutory Committees

Board of Governors

Board of Governors (BoG) of the college has been constituted as per the norms of University Grant Commission, which is the regulatory body for approving autonomous colleges in India. It's main function is to ensure that stakeholders, including students, faculty and institutional management, as well as those from the wider society, have full confidence and trust in our institution – and that all those who have governance responsibilities and accountabilities, both within and outside institutions, carry these out effectively. As per the rules and regulations Governing Vidya Jyothi Educational Society, the Chairman of the BoG identified by Chairman of Vidya Jyothi Educational Society.

Governing Body: The Governing Body of the Institution carries responsibility for ensuring effective management of the Institution and for planning its future development. The Governing body looks after the affairs of the Institution and demonstrates the primary objectives of teaching and research. It includes considering and approving the strategic plan for the institution, and identifying the financial, physical and staffing strategies. The members of the body are dedicated eminent personalities such as educationists and industrialists etc.

The Board of Governors meet and takes policy decisions on financial, academic, and administrative matters for the development of the institution. They render advice for starting new academic programs etc. The board meets to review various academic activities undertaken and monitors the progress of various academic programmes to meet the institution's vision and mission by taking the views of stakeholders into account. The Board being an advisory body formulates rules and regulations for corrective actions to be taken for smooth functioning and better attainment of academic activities of the institution.

- The Chairman is the functional head of the college. He mainly looks after academics, development of infrastructural facilities and overall institutional growth. Chairmen present the proposals to the Governing Body for its approval.
- The Secretary & Correspondent is the chief executive of the College. He coordinates with the sponsoring Society, College Management Committee and the Governing Body.

Head of the Institution, Ex-officio			
14	Dr. A. Padmaja	M.Tech., Ph.D., Principal VJIT	Member Secretary

Academic Council

Director advises the Management, administrative and developmental activities by keeping himself at pace with the latest trends in education. He shall be an active experienced person having distinguished himself in academic and administrative work.

The Principal is the chief academic administrator and a bridge between the Management, Staff and Students.

The Academic Council shall have powers to:

- Scrutinize and approve the proposals with or without modification of the Boards of Studies with regard to courses of study, academic regulations, curricula, syllabi and modifications thereof, instructional and evaluation arrangements, methods, procedures relevant thereto etc., provided that where the Academic Council differs on any proposal, it shall have the right to return the matter for reconsideration to the Board of Studies concerned or reject it, after giving reasons to do so.
- Make regulations regarding the admission of students to different programmes of study in the college keeping in view the policy of the Government.
- Make regulations for sports, extra-curricular activities, and proper maintenance and functioning of the playgrounds and hostels.
- Recommend to the Governing Body proposals for institution of new programmes of study.
- Recommend to the Governing Body institution of scholarships, studentships, fellowships, prizes and medals, and to frame regulations for the award of the same.
- Advise the Governing Body on suggestions pertaining to academic affairs made by it.
- Perform such other functions as may be assigned by the Governing Body.

Internal Quality Assurance Cell (IQAC)

IQAC is constituted as per the norms of the NAAC. IQAC Committee consist of Chairman as Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders

Main objectives

- The primary aim of the IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality
- Development of Quality Culture in the institution
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC

The composition of the IQAC is as follows:

Academic Audit Committee (AAC)

The main aim of conducting academic audit is to assess the academic performance of both individual faculty and the whole department. This practice develops accountability of the individual members with regards to their academic performance. By conducting academic audit, the strength and weakness of the department can be assessed. The quantification of the academic performance helps us to compare the academic performance of departments and members of faculty. This practice develops a healthy competition among the members of faculty of each department and also among the department

Objectives of the AAC are:

1. To assess the academic performance of individual faculty in a department.
2. To assess the academic performance of the department as a whole.
3. To identify the strengths and limitations of the department.
4. To make the individual faculty and the department accountable

College Academic Committee

The college academic committee meets regularly and steer the regular activities of the department and institute. The main functions of the committee are,

- To review the academic and other related activities of the college
- To review the students and faculty development programmes
- To visualize and formulate perspective plans for the development and growth of the college
- To formulate Master Plan for campus development, facilitating implementation of the provision of the perspective plan
- To draw new schemes of development for the college
- To plan for resource mobilization through industry interaction, consultancy and extra-mural funding
- To promote research and extension activities in the college campus
- To promote teaching innovations and student placement programmes
- To plan for sustaining the quality of education, quality improvement and accreditation of the college
- To recommend schemes to promote participation of academic departments in community development activities in the region
- To consider such other activities for furtherance of academic excellence
- To review students attendance /malpractices in examinations.
- To oversee the internal examinations/ evaluation/ recording

Research Committee

It aims to nurture research culture in the College by promoting research in newly emerging and challenging frontier areas of Engineering, Technology, Science and Humanities. It encourages the students and faculty to undertake the research in newly emerging frontier areas including multidisciplinary fields. This enhances the general research capability of budding technocrats by way of participating in conferences, seminars, workshops, project competition, etc

- To create awareness and opportunities in Research and Development among the faculty and students and to create Research and Development atmosphere in every department
- To create atmosphere among the staff members to take up Research projects and improve their knowledge, skills and qualifications by registering Ph. D's
- To motivate the faculty members of the group for R&D activities in the area of their specialization
- To encourage staff members and students to publish technical papers for publishing in National and reputed International Conferences/ Journals
- To undertake research activities and development projects offered by agencies such as DRDO, RCI, DST, AICTE, UGC, etc
- To assist for applying and getting funds for conducting Seminar/Workshop/FDP from various available funding agencies
- To facilitate the growth of research activity among the academic community
- To coordinate faculty level workshops and staff development activities on research-related issue.

The institution has a research and development committee in addition to state of art technology it facilitate and monitor research activities. The faculty as well as students is actively engaged in reactivity & other research projects.

Anti Ragging Committee

The basic functions of the committee are:

- To create self confidence and congenial environment among the newly admitted students by conducting frequent interactive sessions to clear the doubts related to academic matters, social interaction and compatibility. The anti ragging committee provides a ragging free campus for newly admitted students to have a pleasant and fruitful academic stay in this college.
- Faculty is deputed at various locations inside the college campus to monitor the student activities. Faculty sees that no student groups are formed and if observed, the group is dispersed to avoid any nuisance. The punishment for ragging is displayed at various places to make the students aware of seriousness of the administration for preventing ragging.
- To conduct an enquiry and identify the culprits on receipt of complaint.
- Based on the first hand information and prime-facie evidence, the committee submits its report to the Principal for necessary disciplinary action. Severe punishment will be imposed on the accused, if proven

Non Statutory Committees

Institution's Innovation Council (IIC)

The Institute Innovation Council has been established as per the norms of MHRD to encourage, inspire and nurture young students by supporting them to work with novel/trending ideas while they are in formative years.

The Prime focus areas of the cell has been explained to the members

- To create a vibrant local innovation ecosystem
- Start-up supporting Mechanism
- To get ready for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA)
- Smart India Hackathon (SIH)
- National Innovation and Start-up Policy for Students and Faculty
- Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas

Functions of IIC

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.
- Opportunity to nurture and prototype new ideas.
- Mentoring by industry Professionals.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.

IPR CELL

About VJIT, IPR Cell: “Knowledge is wealth” - From ideas to novel products knowledge is being created in today’s increasingly globalized and liberalized economy. Modern world is thriving on knowledge based economy with huge thrust on innovations and inventions. Intellectual property Rights have become significant issue of discussion in last 10-15 year with the emergence of WTO agreement on intellectual property rights. Intellectual property rights is an umbrella term that includes patents, copy rights, trade Marks, Design Registration, Trade Secrets and geographical Indications. IPR is an essential part of protecting, capitalizing one’s own inventions and as to how to commercialize at an appropriate time. With this background, need was felt to bring awareness on IPR. Academic institutions are the best places to stimulate and promote creativity. With Government of India’s emphasis on Start-up India and Make-in-India programs, Institutions play key role in creating young entrepreneurs to build their own idea startups. The IPR Cell provides also a platform to share and discuss the latest development and applications with practical exposure & it helpful for local innovators including faculty members, students and research scholars. Vidya Jyothi Institute of Technology, IPR cell is dynamically involved in bring all the stake holders together.

Objectives:

- To provide IPRs protection information, orientation and facilities to faculty & students.
- To guide & advise researchers on how to obtain & sustain patents and help them approach patent IPR cell.
- To provide IPRs protection information, orientation and facilities to University researchers & scientists.
- To facilitate routing of patent searchers to IPR, India.
- To get necessary clearances from competent authorities while filling patents and other IPRs like copyrights registration and design registration, etc. through IPR cell.
- To workout modalities on behalf of students for commercialization of patented technologies.
- To organize various IPR awareness programmes in collaborating with Research Organizations in Vjit Campus.

Admissions Committee

The Admissions Committee is responsible for the graduate student admissions in the program. This committee will also develop contacts with other relevant graduate admissions committees with the goal of identifying potential candidates who would be more appropriate for the B. Tech program. The admissions committee endeavors to identify applicants from various junior colleges. Applicants to be identified by the committee and, when possible, invited to visit the campus. In addition, the admissions committee tracks the success of the admissions process each day during admissions by maintaining a database of pertinent information on the applicants. This committee reviews admission requirements for the program annually.

1. To improve the admissions quality with well defined policies
2. To disseminate and comply with all the rules and regulations of admissions as prescribed by Govt. and statutory agencies.
3. To create a brand value and awareness about the institute.
4. To provide best counseling to students and parents who come to seek admissions
5. To guide the students and parents in making effective decisions
6. To guide admitted students to complete the admission procedure like paying fees, getting roll nos., getting hostel admission, getting I-card, fulfilling eligibility criteria, getting time tables etc.

OBC Committee

A special Cell to look into the affairs of Other Backward Class (Backward and Most Backward) students and staff of the institution is constituted and functioning in the campus in accordance with the XI plan guidelines of the University Grants Commission.

Objectives

- Ensure reservation norms in the admission of students and in the appointments of teaching and non-teaching staff.
- Maintain social relationship among the admitted students in the college and resolve issues, grievances, representations etc.,
- Explore redressal mechanisms and provisions for remedial coaching, counseling etc.,
- Coordination of equal opportunity, welfare and other schemes including financial assistances from the government and UGC.

The committee meets at least once a year and submits annual report to the Head of the Institution on OBC students admitted against reservation norms, admitted in general category, complaints and references reported by the students, relationship environment, facilities for girl students, financial assistances received from the state and central governments etc.

1. It is expected to provide special inputs in areas where the students experience difficulties.
2. The Cell may conduct regular remedial coaching classes on life skills, personality development, writing assignments and making presentations.
3. The Cell also is expected to organize interactive sessions and informal meetings with students to attend to their personal, social and academic problems.
4. Conducting / Coordinating Training Programmes for Students and Staff : Teaching and Non-Teaching
5. To bring the students belonging to OBC community in par with the main stream student body.
6. To create a platform where students can point out their problems – regarding academic and non-academic matters.
7. To function as a grievance redressal cell for the grievances of OBC students and employees.
8. To develop the self-confidence of OBC students.
9. To create awareness, instill values and develop the personality and leadership quality in the students and staff members.
10. To organize seminars, workshops relating to OBC development

Grievance Redressal Committee for Students		
S. No	Name	Designation
1.	Dr Sai Baba Reddy	Director
2.	Dr. A. Padmaja	Principal
3.	Dr. G. Sreeram Reddy	HoD-ME Department
4.	Dr. A.Srujana	HoD-EEE Department
5.	Prof. Rajendra Prasad	HoD-H&S Department
6.	Dr.Aruna Kumari	Professor - CSE Department
7.	Vishnu Vandith	Student, CSE

Women Grievance Redressal committee:

In view of the increasing number of girl students in the campus, Women Grievance Redressal Cell makes every effort to ensure that the girls feel safe and secure. The cell resolves common problems of girl students and also takes up individual cases of sexual harassment, if any. In this respect, it is punishable.

Functions:

- The committee will deal with the cases / complaints of sexual harassment and any other type of harassment of the female students, teaching and nonteaching women staff of the college
- The Cell shall process all the individual complaints and take suitable action there on in the manner and mode as per the college norms
- The Cell may form / review the guidelines / policy for redressal of the grievance as required from time to time, which may be in accordance with those issued by Supreme Court and Government Agencies If girl/woman are being harassed, this is what she can do: Keeping record of all incidents of women harassment
