In India, Teachers' Day is celebrated annually on September 5 to mark the birthday of the country's former President, scholar, philosopher and Bharat Ratna awardee, Dr Sarvepalli Radhakrishnan, who was born on this day in 1888. A teacher can change the nation but no other professional can do. It is he or she who can develop honest citizens for the country. Respect is the only award we can give to Teachers. Best Teachers are awarded every year to encourage them.
