## Teachers' Day Celebrations

In India, Teachers' Day is celebrated annually on September 5 2019 to mark the birthday of the country's former President, scholar, philosopher and Bharat Ratna awardee, Dr.Sarvepalli Radhakrishnan, who was born on this day in 1888. For senior students, Teacher's day is one of role reversal and celebration. Teachers play an important in the society. When everywhere teachers are humiliated, on this day they are respected. The teacher is the one who does most selfless work. People say that teachers are taking payment but unlike doctors, lawyers or engineers they don't charge money for everything. But they devote their love to the students. Which other profession can't do this, if teachers become like other professionals than the country will vanish but there a number of teachers who sow the students with their blood. A teacher can change the nation but no other professional can do. It is he or she who can develop honest citizens for the country. Every Year One Best Teacher Award was Presented to the Teaching Staff who Contribute their efforts towards Pass Percentage and Results

## Celebrations of Independence Day

Every Year on 15 August was Celebrated in the Campus of Vidya Jyothi Institute of Technology. The Event was started with Flag hosting by our Director and Principal of VJIT followed by other staff members And the event was continued by the speech of our Director and other faculties.

Independence Day is one of those days of the year when patriotism is in the air. The occasion is celebrated with great zeal and gusto across the country, and the official celebrations take place at the Red Fort in New Delhi. People hoist the tricolor flag, sing the national anthem enthusiastically participate in cultural events. The occasion also reminds us about our valiant freedom fighters who fought selflessly and even sacrificed their lives for our country to attain freedom from the colonial rule. We can proudly say that our country has made great progress in all these years. Be it military, education, technology, sports or infrastructure, India has improved in all the fields and certainly, the road ahead is full of development and prosperity.

The Day was ended by Cultural Events and vote of thanks.

## Celebrations of Republic Day

In the Premises of Vidya Jyothi Institute of Technology Republic day was celebrated on 26 January 2020. The Event was started with Flag hosting by our Director and Principal of VJIT . And the event was continued by the speech of our Director followed by Head of Department of all Branches .

Republic Day is a national holiday in India. It honors the date on which the Constitution of India came into effect on 26 January 1950 replacing the Government of India Act (1935) as the governing document of India and thus, turning the nation into a newly formed republic.

The Constitution was adopted by the Indian Constituent Assembly on 26 November 1949 and came into effect on 26 January 1950 with a democratic government system, completing the country's transition towards becoming an independent republic. 26 January was chosen as the date for Republic day because it was on this day in 1929 when the Declaration of Indian Independence (Purna Swaraj) was proclaimed by the Indian National Congress as opposed to the Dominion status offered by the British Regime.

The Day was ended by Cultural Events and vote of thanks.

## International Women's Day Celebrations

Every year, Women's Day is celebrated with an official theme. The theme for Women's Day 2020 is "**Generation Equality**". This theme promotes equality on the grounds of gender, status, age, etc. Every year, the theme spreads a beautiful message to society. The theme for 2020, Generation Equality demands us to promote, equality. So, let us all stand up together and be equal. Let us all take action and responsibility through our power, voice and social media. "A woman is a full circle. Within her is the power to create, nurture and transform." Understanding a woman is a mystery and it needs lots of perseverance and knowledge. A woman is the epitome of love, sacrifice, care and ability to nurture life. The ability to nurture life makes a woman the most powerful and strongest being. She can play different roles with ease be it that of a dutiful wife, obedient Daughtercaring mother or adoring sister. On this occasion all the girl students and Lady Staff were taken part in this event. Many cultural activities were conducted and most interesting games were conducted for the lady staff of our college.
