7.1.1 Gender sensitization

The institution has no compromise in the security issues. Right from the inception of the college, the management has taken serious steps to have the security to the entire campus. The security personnel monitor the movements in the campus round the clock. Around 109 CCTV cameras have been installed in main places like entrance gate, library, auditorium, office etc., for the safety of the students. The security guards near the entrance physically check the vehicles and belongings during entries to the campus and exit from the campus. One of the main objectives of the institution is to promote education that would be sensitive to the needs of the various sections of society with special emphasis on gender equality and gender sensitivity. Students of both the genders are given equal opportunities to develop into responsible citizens of the future. The institution constantly makes efforts to maintain gender balance among the faculty members. Departments headed by men and women are equally balanced. Female teaching and non-teaching faculty members are equal in number with the other gender. Similarly, the number of women in the administrative and housekeeping departments equal with the male counterparts. Women empowerment cell deals with all the grievances faced by girl students and lady faculties. It regularly addresses the complaints filed the girl students and provide a safe environment for them. Counseling there is a separate Counseling Room for counseling the students who needs moral support and care. They help the students to solve their personal and academic problems to the possible extent. Students will be monitored and counseled on academic performances, attendance, regularity, punctuality, disciplinary matters, safety and security measures etc. The students are free to meet their local guardians any time to share and discuss their problems. The college has a disciplinary committee with a senior professor as chairperson and few experienced teachers as members. The committee gives utmost importance for maintaining student discipline in the class room as well as in the campus. In case a student violates any disciplinary regulations of the college, the matter is referred to the committee. After proper enquiry, the committee sends its reports to Principal recommending suitable action. There is a Centralized Counseling Cell in the institution. Students will be counseled on a need basis by the centralized Counselor. Also the courses like gender sensitization included in the course structure across all engineering department.

The Institution has separate big common rooms with a bed and seating arrangement. And also Institution is facilitated with day care center.
