Under the guidance of JNTUH NSS Unit, VJIT-NSS Unit organized the Special Camp from 10th March to 16th March 2017 at Anthappaguda Village, Shankarpally Mandal, RR district involving 50 NSS volunteers. Prior to the camp permission from the Sarpanch was taken for organizing the camp at the Anthappaguda village. The village is about 40 km away from VJIT and having a population of 1000. Based on the need of the village, the Sarpanch requested us for a Blood Grouping and Health Camp and a Library for the school kids. Keeping in mind these two requests we have started our camp on 10th March 2017.

Day 1: Friday 10th March 2017:

All the volunteers gathered at college by 9.30 am and we started to the village around 10.00 am. The students were filled with lots of excitement and joy. We had to purchase the food items for the camp and reached the camp site by 12.00 pm. With the help of the locals and Sarpanch, we identified our camp site about 2 km away from the village, which belonged to our college founder Sri Purushotham Reddygaru, without whose support we could not have managed to organize this camp. After setting our camp, we started our day with the ZPHS Anthappaguda govt. school. The school consisted of 60 Students from Class I to Class VII. With the permission from Ms. Sandhya garu – Headmistress, we organized our first event on Skill Development. Before we could do that, the programme officer instructed the volunteers on the role that they have to play. What are the Do's and Don'ts that needs to be taken care.

Volunteers were segregated into three batches based on Class I-III, Class IV & V, Class VI & VII. Each group was given the task of teaching the kids singing, dancing, and games like Rain Clap to build a rapport with them. Then we taught them shapes using origami (Paper Craft), Basic English on personal introduction, Basic Maths, Computer Parts and mostly importantly how to be self confident. To our surprise the kids outstandingly received us well and in return we learned a lot from the kids.

The event was covered in Sakshi and Eenadu District Edition.

We had our lunch prepared by NSS volunteers at 4.00 pm and took rest for a while. Then by 6.00pm we had a meeting to discuss on our next day event. We decided to have a door to door awareness program on the importance of blood grouping and health. We also informed the villagers about the health camp to be organized on 11th March 2017 from 10.00 am.

Later we had a review meeting around 9.00pm about the event that we organized on Day I.

Day II: Saturday 11th March 2017

The day started off at 6.00 am with a Yoga session, Exercises and sports for about 2 hours.

The Dr. checked the villagers and medication was given based on their illness. Following are the medications given to the villagers. All together 150 village residents have taken part in this camp. We also organized Blood grouping Camp at the venue. About 100 Villagers have done their test for knowing their blood group. Certain questions were raised on whether the blood group changes with time or are we having a good blood group etc. The Doctors and NSS volunteers clarified their doubts and we ended the camp at around 3.00 pm.

Following are the medication provided to the villagers, Ciproflox Pantop, Rantac, Aceclofinac, Doclofinac, Zincovit, Vit-D, Zentamycin, Ear Drops, Dolo, Paracetamol, Citrizen.

Simultaneously along with the health camp and blood grouping camp we organized Swachh Bharat in the entire village. Some half volunteers were at the health camp and remaining half were at the Swachh Bharat. During the cleaning the major waste that we could see was that of plastic and diapers. We segregated the biodegradable and non-biodegradable waste. To dump the waste in a safer manner, the volunteers dug two pits one for the degradable waste and another for plastic and later covered it with sand. We motivated the villagers to do the same thing.

Day III: Sunday 12th March 2017:

We spent the day by rehearsing on how to bring awareness on Saving Girl Child. Then we came up with an idea to perform Street Play and wrote a script too. But due to non availability of mike, we dropped that idea. Then we thought of having a dance performance where we would be emphasizing the various role a girl plays, how perfectly she handles the role of being a mother, daughter, sister and wife. We took theme songs depicting these 4 roles. Seven NSS Girl Volunteers participated in the event.
