

# ICI KNOWLEDGE CENTER

## Introduction

Department of Civil Engineering, Vidya Jyothi Institute of Technology has collaborated with the Indian Concrete Institute (ICI) – Telangana to establish a Knowledge Center to enhance the Industrial Knowledge and source of the career growth of UG & PG students in the field of Civil Engineering. The centre formally inaugurated on 16<sup>th</sup> Sept 2019. This center gives a good platform for interaction, sharing of resources, intellectual discussion, continued learning, and knowledge improvement, such a platform should provide access to the students (potential of the future) to a window of interaction with the best brains in the country and outside.

## Executive Committee of the center

S. No.	Name	Designation
1	Dr. Pallavi Badry, Prof & Head, CE, VJIT	Chairman
2.	Er. P. Srinivas Reddy, Chairman ICI	Vice chairman
3.	Er. Srinivas Rao, Regional Heda Ultrtech Cement, Hyd	Advisor
4.	Er. Mohul Rao, Technical Head, Chettinad Cement, Hyd	Member
5.	Dr. N. Sudharsan, Prof, CE, VJIT	Member
6.	Dr. S. Srihari, Prof, CE, VJIT	Member
7.	Mr. Praveen Kumar, Asst Prof, CE, VJIT	Member, Alumni Coordinator
8.	Mr. Virany, UG, IV Yr, CE, VJIT	Student Member
9.	Ms Uma Maheswari, UG, III Yr, CE, VJIT	Student Member
10	Mr. Dheeraj Kumar, PG, II yr, CE, VJIT	Student Member

## Program conducted

## **VISION OF THE CENTER**

To be a center of excellence in a field of training and skill development in civil engineering domain.

## **MISSION OF THE CENTER**

M1: To have a strong industry tie up for internships and industry based projects.

M2 : To organize several skill development programs on the basic civil engineering domain which bridges the Industry Need.

M3 : To organize guest lectures/Technical talk in the industry practices considering the recent trend in construction industry.

M4: To organize summer schools training for students.
