## Best Practice 1

1. Title of the Practice: Strengthening of Industry- Institute Collaboration

### 2. Objectives of the Practice

- To enhance the relationship between the Institute and industry.
- To promote participation of industry personnel in the development of curricula & high quality student projects.
- Memoranda of Understanding between the Institute and industries to bring the two sides emotionally and strategically closer.
- Visits of industry executives and practicing engineers to the Institute for examining research work and laboratories, discussions and deliver lectures on industrial practices, trends and experiences.
- Visits of faculty to industry for study and discussions or delivering lectures on subjects of mutual interest.
- To facilitate industrial training for students, internship programs and students' study tour programs
- To encourage entrepreneurial activities among the students
- To support consultancy/ training services using the institutional expertise

### 3. The Context

Interaction between institutions and industry is the need of the hour, for a healthy exposure of This of industrial atmosphere amongst technical students and subsequent placement of young graduating engineers in industries across the country. The Industry-Institute Partnership Cell (IIPC) of the institute is dedicated to promote the close interaction between industry and various departments of the institute. The cell is the bridge between the industry, the real world and the institute. Industrial exposure of the faculty is productive and supportive to guide students in the latest industrial practices. Likewise, Industries become aware of the recent developments and inventions in their fields, develop/implement projects for technologically driven economy.

IIPC prepares engineering students for jobs in multinational companies by updating them with newer technologies and engineering methodologies, thereby bridging the gap between industry and the academic institute. Indian industry, at present, has reached a crucial turning point where it has to face the dynamic demands of the competitive domestic and global markets wherein providing high quality products and services is inevitable. A need-based, effective, dynamic, responsive and human education system would be capable of addressing the challenge. The

interaction between institute and industry is necessary to train and develop the right kind of manpower to sustain industrial growth. VJIT has set up an Industry -Institute Partnership Cell for the above purpose under the leadership of an expert team which has rich experience and exposure in both academics and industry. The ultimate aim of imparting professional education is to enable the students to be industry-ready, by providing exposure to current industry practices and to secure sustainable jobs in their respective platforms. The IIPC established in VJIT is determined to acquire aforementioned objectives.

#### 4. The Practice

**The institute endeavours in sustaining adherence with the industries and in establishing strong linkages with various industries across the departments such as:**

- Centre of Excellence in Data Analytics with Qlik India, USA
- Centre of Excellence in Software Testing with Virtusa Polaris
- Centre of Excellence in Talent Sprint
- Center of Excellence in Networking Laboratory with CISCO
- MoU with GoHexa
- MoU with One Compiler
- MoU with FaceHiring
- MoU with Crampete
- MoU with Talentio
- Collaboration with ITE- Oracle
- MoU with Coding Ninjas
- Collaboration with Bennett University of "Deep learning and AI skills"
- MoU with EdifyPath
- MoU with Edunet Foundation
- Collaboration with Infosys
- MoU with iSchoolConnect Technologies Pvt.Ltd.
- MoU with Pepcoding Education Pvt.Ltd.
- Collaboration with Bennette
- MoU with Metronix.
- MoU with Sapient Systems.
- MoU with Eduvance, Training Partner of ARM University Program & Cypress Semiconductors.
- MoU with Premier Engineering Industries.
- MoU with CIM Technolgies.
- MoU with Adeptus Servo Mechatronics Pvt Ltd.
- MoU with Reliable Environmental Services.

## 5.Evidence of Success

**A Centre of Excellence is set up in the 2017 supported by Qlik Software Company as a part of Industry Institute Interaction**

- Data Analytics CoE
- Online Learning & Certification
- One Faculty got Award from Qlik
- One Student Group got Award
- Two papers were published by our faculty

### **Center of Excellence in Software Testing with Virtusa**

- Software Testing - CoE
- Job, Internship, Guest Lecture,
- Certification in in ISTQB and OJCP
- 3 Staff completed Training

### **Center of Excellence in Talent Sprint**

- Online Learning and Assessment Platform for all interested 3<sup>rd</sup> and 4<sup>th</sup> Year students
- Hackathon
- Blue Prism Certification

### **Center of Excellence in Networking Laboratory with CISCO**

- . Training and Placements

### **MoU with GoHexa**

- Assessment Platform for Aptitude, Quant, Verbal and Coding.
- Also offers Software Industry Oriented Assessment Service free of cost.

### **MoU with One Compiler**

- Online Coding platform.
- Students can practice coding in 40+ Languages and Departments can create tests online.

### **MoU with FaceHiring**

Career Counseling and Placement Assistance

### **MoU with Crampete**

- Virtual self learning tool on Programming.

### **MoU with Talentio**

- 3<sup>rd</sup> and 4<sup>th</sup> year students registered
- Training, Assessment, Mentoring.
- Online Assessment support
- Till date about 500 students are trained and mentored.

#### **Collaboration with ITE-Oracle**

- Online Learning opportunity for students.

#### **MoU with EdifyPath**

- Seminars, Webinars, Workshops, Placements.

#### **MoU with Edunet Foundation**

- Certification

#### **MoU with iSchool Connect Technologies Pvt.Ltd.**

- Seminars on Higher Education

#### **MoU with Pepcoding Education Pvt.Ltd.**

- Technical Seminars, Placements

#### **Collaboration with Bennette**

- Faculty Training, Workshop for staff and students

#### **MoU with Premier Engineering Industries.**

- Internships, Trainings and Academic Projects

#### **MoU with CIM Technologies**

- Internships, Trainings and Academic Projects.

#### **MoU with Adeptus Servo Mechatronics Pvt Ltd.**

- Trainings and Academic Projects

#### **MoU with Reliable Environmental Services.**

- Industrial Visits and Internships

#### **MoU with Metronix.**

- Job Oriented Training, Industry Visits, Certification Programs ,Placements, Teal Time Industry Oriented Projects

### MoU with Sapient Systems

- Job Oriented Training, Industry Visits, Certification Programs, Placements, Teal Time Industry Oriented Projects

### MoU with Eduvance, Training Partner of ARM University Program & Cypress Semiconductors.

- Certification Courses, Training for Student & Faculty research work in an *ES* area, Mini & Major Projects.
- Students are certified in two levels - Beginner and Expert levels.

### 6. Problems Encountered

- In few of the cases (of the CoE) the related certifications are expensive and hence it is difficult to sponsor all the students.
- A major problem was identified at the beginning where the CoE's could not run without skilled and certified internal faculty members. This is to infer that it is difficult to retain skilled personnel which are really a challenging situation. After considering this point, initiatives have been taken to certify and upgrade the skill set of our faculty Members. Subsequently, today we have many of our faculty are with certification and trained by authorized agencies.

### Resources required to implement practices

- Well-equipped computer labs with recommended software and hardware
- Journals and books for students to work on their specific areas
- Skilled human resource
- Showcasing of the acquired skills by the students.

### Fruitful endeavour with collaboration of industries

- Students are trained and certified, and offered placement /internships/to carry out major projects.
- Students are trained as per the industry needs and are exposed to the latest trends of Industry.
- Faculty members are exposed to the newer technologies which are included in the curriculum.

### PREAMBLE

Whereas, Vidya Jyothi Institute of Technology, Hyderabad (V.J.I.T.) at its various engineering and sciences departments is charged with responsibility of training technical and scientific manpower in various front-line areas of importance for the Nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial & applied research and consultancy.

WHEREAS, M/Adeptus Servo-Mechatronics Pvt. Ltd. is engaged in research, design and consultancy in the field of Mechanical Engineering and related fields.

WHEREAS, both V.J.I.T and Adeptus Servo-Mechatronics Pvt. Ltd., now

- Recognizing the importance of research and development in the field of Mechanical Engineering, as well as imparting industrial training to the engineering students.
- Appreciating the need for creation of large reservoir of highly qualified manpower in all fields related to Mechanical Engineering.
- Desiring to club their efforts by pooling their expertise and resources,

INTEND to form a nucleus for promoting excellent quality manpower in the field of mechanical engineering with special emphasis on Engineering Design, CAD/CAM, Automation in Manufacturing, Robotics and related fields.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both V.J.I.T and Adeptus Servo-

*A. Krishna*

Mechatronics Pvt. Ltd. hereby acknowledge and agree to sign a memorandum of understanding (MOU).

#### **ARTICLE-I: SCOPE OF THE MOU**

This MOU details the modalities and general conditions regarding collaboration between V.J.I.T and Adeptus Servo-Mechatronics Pvt. Ltd. for enhancing, within the country, the availability of highly qualified manpower in different areas of Mechanical Engineering without any prejudice to prevailing rules and regulations in V.J.I.T and Adeptus Servo-Mechatronics Pvt. Ltd. without any disregard to any mechanism evolved and approved by the competent authorities under Govt. of India in so far as such mechanism applies to V.J.I.T and Adeptus Servo-Mechatronics Pvt. Ltd.. The areas of cooperation can be extended through mutual consent.

#### **ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS**

Both V.J.I.T and Adeptus Servo-Mechatronics Pvt. Ltd. shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective institute, for limited periods as mutually agreed upon;
- b) Organization of joint conferences and seminars;
- c) Practical training of V.J.I.T students at Adeptus Servo-Mechatronics Pvt. Ltd.;
- d) Joint guidance of student projects/thesis in Mechanical Engineering and other areas of national interest at V.J.I.T by Adeptus Servo-Mechatronics Pvt. Ltd. on mutually agreeable terms.
- e) M/Adeptus Servo-Mechatronics Pvt. Ltd. would accommodate B.Tech. Final year students in such a number that Adeptus Servo-Mechatronics Pvt. Ltd. deems convenient to it for the purpose of imparting industrial training.
- f) M/Adeptus Servo-Mechatronics Pvt. Ltd. may depute its personnel as visiting faculty at V.J.I.T to teach any of the regular Course or specialized topics.
- g) M/S Adeptus Servo-Mechatronics Pvt. Ltd. personnel may be allowed to enroll for their M.Tech. at V.J.I.T, subject to availability of seats, research facilities and subject to their fulfilling eligibility criteria and all other academic regulations of V.J.I.T. Further, Adeptus Servo-Mechatronics Pvt. Ltd. may request to design and teach a Course or Courses which it

## 1. Preamble:

This memorandum of understanding thereafter referred as MoU is prepared and executed on this 27<sup>th</sup> March 2021 at the Institute, VJIT, Hyderabad, India.

The Coding Ninjas Pvt. Ltd. fondly called hereafter referred as '**Coding Ninjas**' with expression shall, where the contexts so admit include its successors and permitted assigns) and **Vidya Jyothi Institute of**

**Technology** , Hyderabad (hereafter referred as **VJIT** with expression shall, where the contexts so admit include its successors and permitted assigns) mutually agreed to establish an Institute-Industry collaboration for achieving organizational excellence in the field of Software Engineering. The objective of this agreement is to promote by / interaction by sharing expertise and resources in the areas of common interest for mutual benefits.

**VJIT** has always focused on providing the best skills to Students in the field of Engineering and has successfully created a positive impact in their lives. Coding Ninjas shares the same vision and has up-skilled students from more than 900+ colleges and universities till now. A Memorandum of Understanding between VJIT and Coding Ninjas will ensure that both the parties arrive on a common platform to work towards their vision and increase awareness about the importance of Coding and Technical skills among the Student community.

## 2. Scope of collaboration:

This MoU shall stipulate the terms and conditions under which Coding Ninjas and VJIT shall engage with each other to undertake the following areas/ activities jointly with mutually agreed terms and conditions. The areas/ activities can be further expanded and diversified with the mutual consent of both the parties.

- a. A blended learning model wherein Coding Ninjas will help to enhance the learning process of VJIT students by providing a better learning management system and some industry standard content.
- b. Coding Ninjas will provide a platform with the following features completely free of cost which can be used to enhance the learning

environment in college and will also encourage students to practice more programming questions and develop a deep understanding of the subject.

- A module to conduct virtual laboratory sessions.
- A forum to share lab instruction from faculty.
- Coding Questions for practice with Solutions/Hints etc.
- Assignments including MCQs and Coding Questions for the specified topic.
- Test/Exam module based on the understanding of that topic.
- Discussion forum for students to interact among themselves.
- Doubt section where the faculty can clear doubts of the students.
- Leaderboard for students to analyze their performance.
- Progress bar for students to track their progress.
- Faculty dashboard where the faculty can monitor progress of entire class/specific students.

*The platform will be available for the next 5 years. The platform partnership can be extended as per the understanding of both of the parties.*

### 3. Role of VJIT:

1. VJIT will encourage the faculty handling programming courses and students to effectively use the Coding Ninjas platform to enhance problem solving skills and to inculcate a coding culture among students.

### 4. Role of Coding Ninjas:

1. Coding Ninjas will provide all facilities mentioned in clause 2.
2. Coding Ninjas will provide accounts and training sessions for the instructors and students of VJIT to better use the platform provided who have enrolled for a programming course at VJIT.

### 5. Coding Ninjas Academia Collaboration Committee (CACC):

1. The following will constitute the coordination committee to monitor and review the collaboration programs between VJIT and Coding Ninjas.

April 10, 2018

Dear Sir / Madam,

For reforming and enhancing the quality of Technical Education in AICTE Approved Institutions and to also enhance the Skills & Employability of Students, AICTE has developed a Model Curriculum with the help of Academic & Industry Experts for various disciplines of Undergraduate & Post-Graduate Degree courses in Engineering & Technology and Management. The Model Curriculum has been published in Jan 2018 and is being adopted by various Autonomous Institutions / Universities. The model curriculum has components of AI and Deep Learning.

Bennett University, NOIDA(UP), in partnership with Royal Academy of Engineering, UK; NVIDIA, Amazon, University College London and Brunel University, London, has been funded a big initiative named as 'Making Deep Learning and AI skills mainstream in India by Royal Academy of Engineering, UK to fulfil trilateral needs of entrepreneurship, Industry-Academia partnership and application-inspired Engineering Research'. Already 30 institutions are Zonal Partners of this project. Bennett University is planning to add 50 more institutions as Zonal Partners for the project. The initiative will commence on 1<sup>st</sup> May 2018 and the last date for becoming lead Zonal Partner is 15<sup>th</sup> May 2018. Information regarding the objectives of the initiative.

Interested institutes may contact Dr. Deepak Garg, Director, NVIDIA-Bennett Research Lab on Artificial Intelligence at [Deepakgarg108@gmail.com](mailto:Deepakgarg108@gmail.com) or contact at 9815599654 for possible collaboration and train your faculty in the upcoming high end technologies of AI & Deep Learning.

Yours sincerely,

**Application Title** : Making "Deep Learning and AI skills" mainstream in India to fulfil trilateral needs of entrepreneurship, Industry-academia partnership and application-inspired Engineering Research from Royal Academy of Engineering, UK  
UK Partner: University College, London; Brunel University, London

**Industry Partner:** NVIDIA, AWS Educate Amazon, Edvantics, Videoken  
10 Collaborator Institutions, 100 Zonal Partners and 1000 Partner institutions in India

The objectives of the project are of great relevance to us because it is unique in its ambitions. Deep Learning, Machine Learning and Artificial intelligence are increasingly becoming the must-have skills for faculty, students and researchers in different engineering domains. Our institution is aspiring to inculcate this technology for the benefit of our stakeholders and the country.

We understand that Bennett University has a great supercomputing infrastructure and accomplished faculty, which will of high value for this engagement.

We wish to aggressively work towards making our institution a front runner in adapting AI technologies, courses and putting all the efforts required to make ourselves one of the national leaders. Our faculty will get trained on futuristic technologies which in turn will help us to train our students. After that we will be able to start a research group who will follow up these activities with student projects, publications, curriculum enhancement. As there are Industry partners also in the project, so it will help us in connecting with the industry and start-ups to get ourselves involved in some real projects.

We will support the project in terms of manpower, local support, local hospitality and infrastructure. We will nominate five-ten of our good faculty to get trained, set up a research group. World of opportunities will be open after this and group will flourish based on the further engagements and opportunities.

We will also come up with a comprehensive plan to consistently progress in making our institution as a leader in these futuristic technologies. In a timely fashion we aspire to become a resource institution for other institutions to conduct these activities in other institutions and a role model for others in research.

We will be bound by the guidelines given in the proposal sent by Project lead. Our facilities can be used to hold workshops for Tier 2 and Tier 3 Institutions to spread the learning to remote institutions of the country.

unique offerings "EdifyTalks" provides unique power clips from industry leaders and senior executives that offer valuable insights for career prospects to its learning community.

College is an Education institute that intends to offer its students a globally relevant learning experience, by providing high quality, affordable and accessible education. College through the process of co-creation intends to elevate its students to serve the emerging talent needs of industry.

#### PURPOSE:

The purpose of the collaborative relationship contemplated by this M.O.U is for College to promote a talent pool of young students, while facilitating their upskilling using EdifyPath's Platform (as defined below) and enabling them acquire new and relevant competencies as per the current market requirements and for EdifyPath to nurture the young talent, making the students more employable and industry ready ("Purpose"). For Achieving the Purpose, either parties hereby agree to collaborate with each other and enter into this MOU for non-commercial purposes and further agree that the relationship contemplated by this MOU is non-monetary in nature.

#### DELIVERABLES:

##### EdifyPath:

EdifyPath agrees to provide the following forms of support to the College on a good faith basis:

- a. Provide access to a world of knowledge across rising technology demands and helping its learners acquire industry specific skills
- b. Provide access to Edify Talks to enable learners gain insights from industry leaders and senior executives that will help in getting the bigger picture of various industries and the required competencies (domain, technical, behavioral and communication) to enter and excel in the career.
- c. EdifyPath to extend at a special promotional Price, which shall be applicable exclusively for the College.
- d. EdifyPath to provide services enabling its learners acquire new competencies in accordance with current market requirements anytime, anywhere upon subscription.
- e. EdifyPath to provide opportunities for Internship and placement support for excelling candidates upon successful completion of EdifyPath Certification Program(s).
- f. EdifyPath to conduct Technical workshops for the Students of College.
- g. EdifyPath to provide access to Khelo Application as part of the subscription as per the terms detailed below in this Agreement.

##### College Deliverables:

## Memorandum of Understanding

This Memorandum of Understanding is entered on 5<sup>th</sup> Aug 2021 ("Effective Date") by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and,

Vidya Jyothi Institute of Technology having its address Aziz Nagar Gate C.B. Post Hyderabad - 500075, Telangana, India (hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program ([www.techsaksham.org](http://www.techsaksham.org)) and SkillsBuild ([www.skillsbuild.org](http://www.skillsbuild.org)).

Whereas, Institution is a premier institution with the following details:

Established (year):	1999
Recognition, NAAC rating, ranking:	NAAC B+, NBA Accrediated, AICTE, UGC,
Vision:	To develop into a reputed Institution at National and International Level in Engineering, Technology & Management.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this Memorandum of Understanding (hereinafter called "MOU")witnesses the following.

- Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.

4. **Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
5. **Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.
6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
  - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
  - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
  - c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
  - d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
  - e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
  - f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
  - g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
  - h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
  - i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
  - j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)

ITE 06/18/01

Press Release No. 05/13

**The Institute of Technical Education (ITE) and Oracle Academy Will Work Together to Offer IT Curriculum to More Than 26,000 Students**

***New ITE-Oracle Academy Centre to Help Students Develop Industry-Relevant Skills for IT Careers***

The Institute of Technical Education (ITE) and Oracle Singapore will work together to leverage Oracle Academy's Advanced Computer Science curriculum to inspire the next-generation of technology professionals.

2 As part of the collaboration, the **ITE-Oracle Academy Centre** at ITE College West in Choa Chu Kang, Singapore, was officially unveiled by Mr. Bruce Poh, Director & CEO, ITE and Mr. Leslie Ong, Managing Director, Oracle Singapore. The Centre will allow ITE to build a strong foundation of technology programs; help foster student knowledge and interest in computer science, engineering and technology; help prepare ITE students for IT careers; and help meet growing local demand for a highly skilled technology workforce.

3 Oracle Academy's Advanced Computer Science program provides universities and students with hands-on access to Oracle database and middleware software, curriculum, and other industry-relevant resources that can help give students a competitive advantage when they enter the workforce. ITE will align several IT courses to the Oracle Academy curriculum and offer an ITE-Oracle certificate to students who have successfully completed each of these ITE elective modules.

4 "Thanks to Oracle Academy's vision, our students and staff will have access to curriculum, resources and certifications that will help prepare them for successful IT careers. We are especially delighted that this collaboration will bring more opportunities for students to gain market-relevant skills and credentials that will help differentiate them when they enter the workforce," said Mr Bruce Poh, Director & CEO, ITE.

**NOW THEREFORE IN CONSIDERATION OF** the premises and the mutual covenants set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto covenant and agree as follows:

### **(1) PURPOSE AND PROJECT**

- (a) The purpose of this MoU is to fill the gap between Industry and Academia and for that purpose VJIT and Pepcoding will work in a coordinated manner.
- (b) VJIT and Pepcoding will collaborate in the areas mentioned below
- Handling Joint Projects & Consultancy
  - Organizing coding Competitions & Hackathons
  - Skill development
  - Organizing weekly programming Webinars/Seminars and workshops
- (c) VJIT and Pepcoding will also aim at spreading awareness about the importance of programming and technical knowledge at VJIT
- (d) VJIT and Pepcoding intend to work together on a project which will be referred to as The Campus Association Program ("the Project").
- I. The purpose of this Project is to form a relationship with your esteemed college to provide an end to end free placement and training management tool to help your students get placement opportunities in some of the top tech based companies with packages ranging from 6 lpa to 30 lpa.
  - II. The Project will aim at creating and contributing content and upscaling the present Placement of VJIT during the tenure of this agreement, in which both Pepcoding and VJIT will take part.
  - III. This Project will introduce VJIT to a new training and placement ecosystem- 'NADOS', which has been created by Pepcoding to fill the gap between Industry and Academia.

### **(2) CHANGES TO MEMORANDUM**

- (a) This Memorandum may be amended at any time by agreement between the parties.
- (b) Any changes to this Memorandum must be made in writing and signed by both VJIT and Pepcoding.

### **(3) GENERAL OBLIGATIONS**

(h) Either Party may terminate this Memorandum by providing 1 month notice in writing to the other Party.

#### (6) EXCLUSIVITY

- (a) Upon the signing of this Memorandum, VJIT will terminate any discussions or negotiations with any party other than Pepcoding, which relate to the Purpose or to the Project, in which VJIT, or any employee, agent, advisor, contractor or other representative of VJIT may be engaged.
- (b) During the tenure of this Memorandum, any company with a similar Project or Purpose or companies which provide similar services as that of Pepcoding, should not enter into negotiations for any kind of sponsorship for any fests or events in VJIT.
- (c) While this Memorandum is in effect, VJIT will not, directly or indirectly,
- (1) Engage in Third Party Discussions; or
  - (2) Invite, encourage, seek or otherwise solicit any Third Party to engage in Third Party Discussions.
  - (3) Enter into any agreement, memorandum of understanding, heads of agreement, letter of intent, or other arrangement with any Third Party.

#### (8) COSTS

Unless otherwise expressly provided in writing, each Party is responsible for its own costs of complying with this Memorandum and in connection with the performance of its obligations under this Memorandum.

#### (9) FORCE MAJEURE

If and to the extent that a Party's performance of any of its obligations under this Memorandum, hindered or delayed by fire, flood, earthquake, elements of nature or acts of God, acts of war, terrorism, riots, civil disorders, rebellions or revolutions, or any other similar cause beyond the reasonable cause of such Party (each, a "Force Majeure Event"), and such non-performance, hindrance or delay could have been prevented by reasonable precautions, then the non-performing, hindered or delayed Party will be excused for such non-performance, hindrance or delay, as applicable, of those obligations affected by the Force Majeure Event for as long as such Force Majeure Event continues and such Party continues to use its best efforts to recommence performance whenever and to whatever extent possible without delay, including through the use of alternate sources, workaround plans or other means. The Party whose performance is prevented, hindered or delayed by the Force Majeure Event will immediately notify the other Parties of the occurrence of the Force Majeure Event and describe in detail the reasonable detail the nature of the Force Majeure Event.
