## **REPORT**

**On**

**NSS DAY CELEBRATIONS -2022**

**Organized by JNTUH held at VJIT**

**Vidya Jyothi Institute of Technology (VJIT)** has been permitted to conduct the **NSS Day-22 of JNTUH on 24<sup>th</sup> September 2022**, for the academic year 2022-23. We take the pleasure of organizing the prestigious JNTU Hyderabad NSS Day-22 Celebrations at VJIT Campus for all the JNTUH, affiliated colleges. The National Service Scheme (NSS) is a public service program conducted by the Ministry of Youth Affairs and Sports. Every year, NSS day is observed on September 24th across India. The National Service Scheme was launched in 1969, the Birth centenary year of Mahatma Gandhi in 37 Universities involving 40,000 students. It has now been extended to all the states and Universities of the country. In the year 1952, the government emphasized the requirement of social and labour service by Indian students for a year.

### **National Service Scheme:**

The National Service Scheme (NSS) is a central sector scheme of the government of India, Ministry of Youth Affairs & Sports. It allows the students of 11th & 12th Technical Institutions, graduate & post-graduate at colleges and university level of India to be a part of various government-led community service activities & programmes. It aims to provide hands-on experience to young students in delivering community service. Since the formation of NSS in 1969, the number of students has increased from 40,000 to over 3.8 million up to the end of March 2018.

Under the guidance of JNTUH NSS Unit, VJIT-NSS Unit organized the Special Camp from 5<sup>th</sup> May to 11<sup>th</sup> May 2022 at Kanakamamidi Village, Moinabad Mandal, RR district involving 40 NSS volunteers. Prior to the camp permission from the Sarpanch was taken for organizing the camp at the Kanakamamidi village. The village is about 10 km away from VJIT and having a population of 1800. Based on the need of the village, the Sarpanch requested us for a Health Camp and a Library for the school kids. Keeping in mind these two requests we have started our camp on 5<sup>th</sup> May 2021.

### **Day 1: Thursday 5<sup>th</sup> May 2022:**

All the volunteers gathered at college by 9.30 am at college the special camp inauguration is done at 10:00 am by Director and principal of the college and spoke on the importance of special camp and motivated the volunteers. we started to the village around 10.30 am. The students were filled with lots of excitement and joy. We reached the camp site by 11.00 am. we organized Inauguration at Gram panchayat office. Before we could go on survey the programme officer and village secretary instructed the volunteers on the role that they have to play. What are the Do's and Don'ts that needs to be taken care. Volunteers were segregated into six batches .As per the schedule we decided to organize the household survey. We went to every house and collected all the information and suggested them solutions for few problems and motivated.

Each group was given the task of exploring different parts of the village and getting to know problems and difficulties faced by the village people. We had our lunch at 1:00pm and took rest for a while. Later we had a meeting to discuss on our next day event. We decided to have household survey and a door to door awareness program on the importance of health. Later we had a review meeting around 3:00pm about the event that we organized on Day I.

## **Day II: Friday 5<sup>th</sup> May 2022:**

The day started off at 6:00 am with a yoga session, exercises and sports for about 2 hours. We gathered at the school and as per the plan have divided the school area into 5 zones and started cleaning the school, We also paved a path for drainage leakage which was a prone to many mosquito stay. Along with this we did door to door awareness on the need to segregate wet and dry waste. We asked them to use the wet waste for agriculture and the dry waste to put it in a pit and later covering it with soil. So all the volunteers divided the work among themselves took part in the Swachh Bharath. During the cleaning the major waste that we could see was that of plastic and diapers. We segregated the biodegradable and non-biodegradable waste. To dump the waste in a safer manner, the volunteers dug two pits one for the degradable waste and another for plastic and later covered it with sand. We motivated the villagers to do the same thing. We reached the camp site at 2.00 pm had our lunch, took rest for a while. NSS PO Mr. E.Giri Prasad Goud and NSS volunteers motivated the villagers and students on the need to conserve our environment for the present and future generations. Each one of us should plant tree, not only plant them but also try to protect it with love and care. And also shared few stories how students have taken great care of their saplings. He also emphasized on the role of youth place in society building and how one should take proper decision and be in good company.

A special team was given a task to teach the 10th class students subjects which they felt are poor at.

There was a separate session for doubts clarification and lessons explanation held together.

**Day III: Saturday 7<sup>th</sup> May 2022:**

The day started off at 6:00 am with a yoga session, exercises and sports for about 2 hours and after that we continued with Household survey till. The common problems we found in Kanakamamidi Village is scarcity of water, and had a rally on importance of water, there is no drainage system and they requested for proper roads, private school and a hospital. In Kanakamamidi village most of them are farmers and hardworking people. They are striving hard for the education of their children. We have motivated them to grow the plants and keep the surroundings clean. Took the survey forms on Digital Transaction and visited 160 houses and gathered information on how Kanakamamidi Village is Digitalized village

## Day IV: Sunday 8<sup>th</sup> May 2022:

### Importance of farming and kitchen Gardening and field trip by Dr. Jyothi, Asso. Prof. University of Horticulture

The day started off at 6:00 am with a yoga session, exercises and sports for about 2 hours. Today was a very special day for all of us cause we learnt a new thing known as kitchen gardening hosted by a guest Dr. Jyothi, Asso.prof. University of Horticulture. She gave a brief explanation on kitchen gardening is and its importance.

Her speech motivated each and every one of us to start setting up a kitchen garden at our homes.

#### *Takeaways :*

Growing your own vegetables is both fun and rewarding. All you really need to get started is some decent soil and a few plants. But to be a really successful vegetable gardener — and to do it organically — you'll need to understand what it takes to keep your plants healthy and vigorous. Here are the basics.

"Feed the **soil**" is like a mantra for organic gardeners, and with good reason. In conventional chemical **agriculture**, crop plants are indeed "fed" directly using synthetic fertilizers.

When taken to extremes, this kind of chemical force-feeding can gradually impoverish the soil. And turn it from a rich entity teeming with micro-organisms insects and other life forms, into an inert growing medium that exists mainly to anchor the plants' roots, and that provides little or no **nutrition** in its own right.

**Day V: Monday 9<sup>th</sup> May 2022:**

**Volunteers visited to Red cross senior citizen old age home and they contributed and prepared lunch by their own to the old age people**

The day started off at 6:00 am with a yoga session, exercises and sports for about 2 hours. All the volunteers were ready for the emotional rollercoaster. We have started from college and went to old age home called Red Cross Senior Citizen's Home near JBIT.

All the NSS volunteers interacted with the old people.

## **Day VI: Tuesday 10<sup>th</sup> May 2022:**

The day started off at 6:00 am with a yoga session, exercises and sports for about 2 hours. we organized Health Checkup for the villagers. The Doctor checked the villagers and medication was given based on their illness. Following are the medications given to the villagers. All together 200 village residents have taken part in this camp

Certain questions were raised on whether the blood group changes with time or are we having a good blood group etc. The Doctors and NSS volunteers clarified their doubts and we ended the camp at around 3.00 pm. Following are the medication provided to the villagers, Ciproflox Pantop, Rantac, Aceclofinac, Doclofinac, Zincovit, Vit-D, Zentamycin, Ear Drops, Dolo, Paracetamol, Citrizen. Later we had our lunch and in the evening we started our evening session on career guidance. We have also distributed generic medicines to villagers facing health issues.

## **Day VII: Wednesday 11<sup>th</sup> May 2022**

As usual the day started with Yoga, Sports and exercises at 6.00 pm. Later we reached the village at 10.00 am after having our breakfast. We along with Sarpanch identified certain areas around the village for Slogan Writing. We listed around 20 quotations on Environment, Education, Girl Child and Village development. Sarpanch and the villagers appreciated our work. And later on in valedictory function distributed special camp certificates to the volunteers.

We closed our camp, thanked all the villagers, Headmaster, Teachers, Students and most importantly Village Sarpanch On behalf of VJIT-NSS unit. we would like to thank our Management,
