

Institution of Engineers (India)

The **Institution of Engineers (India)**, the **IEI**, is a national organization for engineers in India. It is the world's largest multi-disciplinary engineering professional society. It has more than one million members in 15 engineering disciplines. The institution was established in 1920 in Kolkata, West Bengal, and was incorporated by Royal Charter in 1935. It is currently headquartered at 8 Gokhale Road, Kolkata. The institution administers an examination for associate membership, which holds equivalent standing to B.E. / B.Tech examinations for employment across various sectors in India, including government, public, and private sectors. Its recognition extends to other nations as well.

Events in Mechanical Department

S.No	Date	Topic	Resource person	Affiliation
1	3-Mar-2024	High Entropy alloys characterization and their applications	Dr. P.V. Ramana, Professor,	MGIT, Hyderabad
2	21-July-2022	Advanced materials and the applications in engineering components	Prof. A. Purshotham	SNIST, Hyderabad
