Date: 13th March 2025

OFFICE ORDER

The Research & Development Cell (RDC) of the college has been constituted as per the revised guidelines for Establishment of Research & Development Cell in Higher Education Institutions dated 4th March 2022 to promote quality research that contributes meaningfully toward the goal of a self-reliant India (Atma-Nirbhar Bharat) aligned with provisions of NEP 2020.

Objectives:

1. To create an organizational structure with role-based functions of RDC, formulate Research Policy for the HEIs, identify thrust areas of research, and form related cluster groups/frontline teams/consortia of researchers.
2. To create enabling provisions in Research Policies for recruitment of research personnel, procurement of equipment, and financial management with adequate autonomy to the Principal Investigator(s) and disseminate research outcomes to stakeholders and the public at large.
3. To establish a special purpose vehicle to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stake holders for cooperation and synergistic partnerships.
4. To act as a liaison between researchers & relevant research funding agencies, extend guidance in preparation & submission of project proposals and post-sanctioning of the grants to oversee adherence to timelines.
5. To have better coordination among other cells and departments in dealing with Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights(IPR).
6. To develop an institutional Research Information System for sharing the status of ongoing completed research projects/Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
7. To engage & utilize the services of superannuated active faculty/scientists in research capacity building of talented young minds and promote mobility of researchers across institutions and R&D Labs.
8. To serve as nodal center for ideation and conceptualization of research topics/themes by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of bioethical committee wherever required.
